The new *USDA Recipes for Schools* should be available for distribution beginning June 1, 2006. School Districts may order for their staff and their schools by using the attached electronic order form. Copies will not be mailed to individual schools.

The new recipe publication consists of two components: a hard-cover and wire-o-bound printed book (approximately 68 pages) and a CD-ROM containing the recipe files. The printed booklet discusses how to use and adjust the recipes, includes nutrient information, and contains many reference charts helpful for foodservice operations. The CD-ROM contains the recipe files listed alphabetically by recipe name, by recipe number, and by recipe category.

Beginning July 1, 2006, schools using USDA Recipes must use the new *USDA Recipes for Schools* for meeting meal requirements for Federal reimbursement (SP 06-13). Although not available in hard copy until June 2006, the new recipes have been available online since April of 2005, at the National Food Service Management Institute website. If your schools have been using the recipes online, please note that in March 2006, significant changes were made to the following recipes:

- C-01 - Apple Cobbler
- C-06 - Cherry Cobbler
- C-13 - Peach Cobbler
- D-35 - Spaghetti and Meat Sauce
- D-35A - Spaghetti and Meat Sauce (Ground Beef and Ground Pork)
- D-39B - Pork Stir-Fry
- E-04 - Carrot-Raisin Salad
- E-24 - Hummus

Yield data changes were made to the following recipes:

- C-11 - Orange-Pineapple Gelatin
- C-21 - Royal Brownies
- C-24 - Orange Glaze
- C-25 - New Oatmeal Raisin Cookies
- C-30 - Whole Wheat Sugar Cookies
- C-31 - Chocoleana Cake

Please be sure your School Districts and schools are aware of these changes and that they are using the up-to-date recipes.

As mentioned above, copies of the new USDA Recipes for Schools should be available beginning June 1, 2006, and must be ordered. **An email form is provided as an attachment to this memo to simplify ordering.** Please submit all orders to TN.Orders@fns.usda.gov. Orders will be filled in the order they are received once copies arrive from the printer.

If you have specific questions, you may contact Team Nutrition at (703) 305-1624.
